Teaching and Research Position in International Relations

Position: **Associate or Full Professor**

Location: **Rabat, Morocco**

Status: **Full-time**

Application deadline: **31 January 2022**

Expected starting date: **September 2022**

The Faculty of Governance, Economics and Social Sciences (FGSES) of the Mohammed VI Polytechnic University (UM6P) invites applications for full-time positions at the rank of Associate or Full Professor in **International Relations**.

We are especially interested in hearing from candidates with strong backgrounds in the following areas: International Relations Theory; Critical Security; Post/Decolonial International Relations; International Political Economy; International Relations of Africa.

Applicants must hold a PhD in **International Relations** or a related field. They must provide evidence of effective teaching and research, as evidenced by publications in top peer-reviewed journals and/or with reputable academic publishers. Knowledge of either English or French is essential while a knowledge of the other language would be an advantage.

The roles and responsibilities of the successful candidate include research and teaching. The successful candidate is also expected to actively contribute to the design and implementation of specific teaching and research programmes.

Salary and Benefits: Salaries and benefits are internationally competitive and commensurate with experience.

Job location: The FGSES boasts state-of-the-art facilities in a newly built campus located in Morocco's capital city Rabat – a large, cosmopolitan city between Casablanca and Tangier.

Required Documents:

- Copy of the PhD degree
- Academic CV including a full list of publications
- Cover letter
- Evidence of teaching excellence and supervision
- One sample publication

How to apply: The applicants must send a single, merged PDF file containing all the items listed above (in the order listed) to the following address: ri.recruitment@um6p.ma by **31 January 2022**.

Shortlisted candidates will be invited to an interview held remotely by videoconference. Selected candidates will in a subsequent stage be asked to present their research and conduct a course simulation through videoconference.
